**Gas Water Heater Installation includes: Complete Installation of Bradford White Water Heater by one of our Georgia State Licensed Plumbers who will ensure new installation will meet all required safety standards related to Ball Valve, Thermal Expansion Tank and Gas Flex. Service includes haul off and disposal of old Water Heater.**

**MR. PLUMBER**

**“Atlanta's Most Trusted Plumber”**

a division of Coolray Heating & Cooling, Inc.

Installed pricing is for a standard change out in an accessible location. Code upgrades and/or additional piping will incur an additional charge.

Lifetime Warranty – Mr. Plumber will provide a replacement water heater of equivalent model and size to the original owner if the Vitraglas® lining of the tank fails anytime during ownership, see representative for terms and conditions.

Limited Warranty – See a Mr. Plumber representative for details.

Labor Warranty is for one year.

All natural gas models have a low NOx rating, which helps protect our environment.

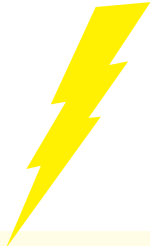

Add \$125 for propane models.
